

## **May 2006 - Catalyst Invited to Present at Capital Connection.**

Catalyst IT Services has been selected to present at Capital Connection 2006, the annual presentation sponsored by the venture community of the most prominent young companies in the mid-Atlantic region. "The companies chosen to present at Capital Connection 2006 this year are some of the true stars of our region," said Karl Khoury, Co-Chair Capital Connection 2006 and Partner at Columbia Capital. "We have selected a dynamic slate of companies that are among the best emerging companies with talented management teams, exciting technologies and solid business strategies."
