**MAJOR RETAIL AND HEALTHCARE BUSINESS USES CATALYST IT SERVICES TO SUPPORT INTEGRATION EFFORT WITH HEALTH INSURANCE PARTNER AND PROVIDE WEB SUPPORT**

A major retail and healthcare business, a trusted partner with Catalyst IT Services for application services support since 2005, has again turned to Catalyst for support of its work to integrate membership, legal, and financial systems with a health insurance partner to facilitate club membership as a health benefit under its partners' plans. Catalyst is helping accelerate the successful integration of these systems, ensuring seamless exchange of data as new members join as part of the health benefits they receive.

**ABOUT CATALYST IT SERVICES**

Catalyst IT Services is the leading onshore alternative to offshore information technology outsourcing. Through our regional development centers in the United States, we offer application life cycle development, implementation and support, and quality assurance and testing solutions to Fortune 500 and middle-market clients.

We are able to provide flexible solutions from our domestic facilities or on client sites with communication, control and consistent quality unattainable by our overseas competitors, at a cost unmatched by our domestic competitors. Using our deep expertise in both leading edge and legacy technologies, we are able to deploy the appropriate technology to solve our clients' business challenges, while providing the convenience, flexibility, and control our clients can enjoy only with a local partner.
